Candidate's Statement (reproduced exactly as submitted):

I have lived in Seward for over 20 years. I have served on the Seward City Council for the past 4 years. I have also in the past been on the Seward Planning and Zoning Commission for 6 years and the Borough Planning Commission for 3 years. I am married and have 4 adult children. I am a retired Coast Guard officer and was the Director of the University's Seward Marine Center, I am aware of Seward's problems and the difficult times we all now face. I wish to continue to serve the community and hopefully see the economics improve and Seward prosper while in office.
