Re: Resolution 2005-031

The above referenced resolution was submitted as a "blank" resolution, pending the bid opening for the Bruno Bridge Rehabilitation capital improvement project. Bids have been opened, and the blanks can now be filled in.

The low bid submitted was more than the funds appropriated for this project. We deleted one pay item (513[1] – Field Painting of Steel Structures) to bring the project amount within the budgeted amount. This revision to the bid schedule did not change the order of bidders.

Please add the following information in the indicated blank sections:

- 3rd WHEREAS – WHEREAS, the Road Service Area received **seven (7)** bids; and
- 4th WHEREAS – WHEREAS, the low responsive bidder is **Endries Company**.
- Section 1. – That the mayor is authorized to award a contract to **Endries Company** to perform the work for the bid amount of **\$113,206.00**.

All other sections of the resolution remain the same.
