RE: Homeland Security Grant Program 2004-GE-T4-0035

Dear Mayor Bagley:

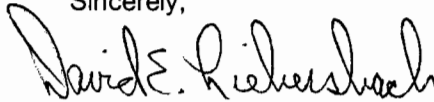

The Alaska Division of Homeland Security and Emergency Management (DHS&EM) convened an interagency multi-discipline committee to review your FY 2004 Homeland Security Grant Program (HSGP) Application. Final allocations were made by this committee and I am pleased to award the Kenai Peninsula Borough the amount of \$724924.00 for the performance period May 5, 2004 through November 30, 2005. Use of these funds must support the goals and objectives stated in the State of Alaska Homeland Security Strategy.

Three of Office for Domestic Preparedness (ODP)'s FY 2004 grant programs have been combined into this single grant award: State Homeland Security Program (SHSP), Law Enforcement Terrorism Prevention Program (LETPP), and Citizen Corps Program (CCP). The enclosed Budget Detail Worksheets specify expenditures allowed under each program. Any deviation requires prior approval from the DHS&EM Project Manager. Transfer of funds between programs is prohibited. There are no administrative costs eligible with this grant. Whether you are a recipient of one, two or three of these programs under this grant, submit your program reports all at once as a single package to the Project Manager on a quarterly basis. Requests for reimbursements may be submitted at any time.

Enclosed for your signature are three copies of the 2004 Homeland Security Grant Program obligating document. Please sign all three copies, retain one copy, and return two copies with original signatures to: DHS&EM Project Manager Becky Metcalf, P.O. Box 5750, Ft. Richardson, AK 99505. The grant agreement will become effective upon receipt of the two signed original copies.

The Alaska Division of Homeland Security and Emergency Management's mission is to provide you with continuous support to achieve your project objectives. Please contact Becky Metcalf at (907) 428-7045 if you have any questions or need more information.

Sincerely,

David E. Liebersbach, Director
