Nikiski Fire Department

Dear Bonnie:

Congratulations, the following fire departments have been awarded a grant through 2004 Volunteer Fire Assistance program.

Kachemak Emergency Services.....	\$4925.00	Warrant No. 21261242
Anchor Point Fire and Emergency Medical Service.....	\$1981.00	Warrant No. 21257588
Bear Creek Fire EMS Inc.....	\$4997.50	Warrant No. 21257590
Nikiski Fire Department	\$2622.00	Warrant No. 21261246

Your grant totals are listed and represent a 50 percent match. This means that you will have to spend an equal amount in local matching funds as a condition of your grant.

I have also enclosed a copy of the VFA Guidelines sheet for your information. If you have questions or need information on documentation required to complete the grant process you can contact me at 260-4220.

All purchases and/or training should be completed by December 31, 2004 and the documentation submitted as soon as possible thereafter. Proof of purchases is copies of invoices and matching canceled checks (copied front and back), and training rosters.

I wish to congratulate you on being successful in this grant application this year. Through interagency cooperation and local community effort, we can significantly reduce the impacts of wildfire in Alaska. I look forward to working with you in the future.

Sincerely,
