Bonds, coupon in form (herein call "coupon Bonds"), shall each be of the denomination of Five Thousand Dollars (\$5,000) or any integral multiple thereof, except for bond Number 1 which shall be Four Thousand Dollars (\$4,000), approved by the Borough, such approval to be evidenced by the execution of such Bonds. The coupon Bonds and the registered Bonds shall be, respectively, substantially in the forms of such Bonds hereinafter set forth, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance, and may have endorsed thereon such legends or text as may be necessary or appropriate to conform to the rules and regulations of any governmental authority, or any usage or requirement of law with respect thereto. Each Bond shall bear a number or letter, or a number and letter, distinguishing it from every other Bond.

Section 6. Details of Bonds. The coupon Bonds shall be dated and bear interest from February 1, 1982. Each registered Bond shall bear interest from its date and shall be dated as of the interest payment date next preceding the date of its issuance, unless issued upon an interest payment date in which case it shall be dated as of the date of its issuance, or as of February 1, 1982, if issued prior to the first interest payment date of such Bond.

In the event both the signature of the Mayor and the signature of the Clerk are in facsimile form, the Bonds shall contain a certificate of a Paying Agent certifying the authenticity of such signatures in the following form:

(Name)
Paying Agent

By _____
Authorized Officer

Both the principal and the interest on the Bonds shall be payable in any coin or currency of the United States of America, which at the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal and the interest on all coupon Bonds shall be payable at the principal offices of the Paying Agents. Payment of the interest on the coupon Bonds shall be made only upon presentation and surrender of the coupons, if any, representing such interest as the same respectively fall due. The interest on all registered Bonds shall be paid on each interest payment date by the Principal Paying Agent to the person appearing as the registered owner thereof on the registration books of the Borough hereinafter provided for, by check or draft mailed to such registered owner at his address as it appears on said registration books.

Section 7. Exchange of Bonds. Coupon Bonds, upon surrender thereof at the principal office of the Principal Paying Agent with all unmatured coupons appertaining thereto, may, at the option of the holder or registered owner thereof be exchanged for an equal aggregate principal

amount of registered Bonds of the same maturity and interest rate of any of the authorized denominations.

Registered Bonds, upon surrender thereof at the principal office of the Principal Paying Agent, together with an assignment duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Principal Paying Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of coupon Bonds of the same maturity and interest rate with coupons attached representing all unpaid interest due or to become due thereon, or of registered Bonds of the same maturity and interest rate of any other authorized denominations.

Section 8. Negotiability of Coupon Bonds. Title to any coupon Bonds, unless such Bond is registered as to principal in the manner hereinafter provided, and to any interest coupon, shall pass by delivery in the same manner as a negotiable instrument payable to bearer. At the option of the bearer, any coupon Bond may be registered as to principal alone on books for the registration and transfer of Bonds, kept by the Principal Paying Agent as Bond Registrar, upon presentation thereof to the Principal Paying Agent, which shall make notation of such registration thereon. Any such Bond registered as to principal alone may thereafter be transferred only upon an assignment duly

executed by the registered owner or his attorney in such form as shall be satisfactory to the Principal Paying Agent, such transfer to be made on such books and endorsed on the Bond by the Principal Paying Agent. Such transfer may be to bearer and thereby transferability by delivery shall be restored, subject, however, to successive registrations and transfers as before. Registration of any coupon Bond as to principal, however, shall not affect the negotiability by delivery of the coupons appertaining to such Bond, but every coupon shall continue to pass by delivery merely and shall remain payable to bearer.

Section 9. Transfer of Registered Bonds and Delivery of New Bonds. Any registered Bond may be transferred only upon said books kept for the registration and transfer of Bonds, upon surrender thereof at the principal office of the Principal Paying Agent, together with an assignment duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Principal Paying Agent. Upon the transfer of any such registered Bond, there shall be executed in the name of the transferee, and the Borough shall authenticate and deliver, a new registered Bond or Bonds of the same maturity of any of the authorized denominations, or at the option of the transferee, coupon Bonds with coupons attached representing all unpaid interest due or to become due thereon, of the same

aggregate principal amount, maturity, and interest rate as the surrendered Bond.

In all cases in which Bonds shall be exchanged, or registered Bonds shall be transferred under this Ordinance, there shall be executed, and the Borough shall authenticate and deliver, Bonds in accordance with the provisions of this Ordinance. All Bonds and coupons surrendered in any such exchange or transfer shall forthwith be cancelled by the Principal Paying Agent. The Borough and the Principal Paying Agent may make a charge for every such registration, exchange or transfer of Bonds sufficient to reimburse them for any tax, fee, or other governmental charge required to be paid with respect to such registration, exchange or transfer, or any other charges of the Borough incurred in connection therewith, and such charge or charges shall be paid before any such new Bond shall be delivered. Neither the Borough nor the Principal Paying Agent shall be required to make any such registration, exchange or transfer of a Bond during the ten (10) days next preceding an interest payment date on such Bond.

Section 10. Ownership of Registered Bonds. As to any registered Bond or any coupon Bond registered as to principal other than to bearer, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or

on account of the principal on such Bond and the interest on such a registered Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon to the extent of the sum or sums so paid. The Borough and the Paying Agent may deem and treat the Bearer of any coupon Bond registered to bearer or not registered as to principal, and the bearer of any coupon appertaining to any coupon Bonds, whether or not such coupon Bond shall be registered as to principal, as the absolute owner of such Bond or coupon, as the case may be, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Borough nor the Paying Agents shall be affected by any notice to the contrary.

Section 11. Mutilated, Destroyed, Stolen or Lost Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Borough may cause to be executed, and deliver, a new Bond of like interest rate, principal amount and maturity in exchange and substitution for and upon cancellation of such mutilated Bond and its interest coupons, if any, or in lieu of and in substitution for such Bond destroyed, stolen or lost, and its coupons, if any, upon the holder paying the reasonable expenses and

charges of the Borough in connection therewith and in the case of a Bond destroyed, stolen or lost, his filing with the Borough evidence satisfactory to it that such Bond and coupons, if any, were destroyed, stolen or lost, and of his ownership thereof, and furnishing the Borough with indemnity satisfactory to them. Any new Bond so delivered may bear a number differing from the number on the Bond it replaces.

Section 12. Exchange of Bonds. The Borough shall make provision for the exchange of Bonds at the principal office of the Principal Paying Agent, and shall cause books to be kept by the Principal Paying Agent, as Bond Registrar, for the registration and transfer of Bonds as provided in this Ordinance.

Section 13. Redemption of Bonds. The Bonds maturing on or after February 1, 1993, shall be subject to redemption by or on behalf of the Borough prior to maturity and upon published notice as hereinafter provided, as a whole or in part in inverse order of maturity on any interest payment date on or after February 1, 1992, at a redemption price equal to the principal amount of each Bond to be redeemed together with interest accrued thereon to the redemption date. If less than all of the Bonds of like maturity are to be redeemed, the particular Bonds to be redeemed shall be selected in inverse numerical order.

Section 14. Notice of Redemption. When the Borough determines to redeem any Bonds, it shall give notice of such redemption, which notice shall state the redemption date and identify the Bonds to be redeemed by reference to their numbers and further state that on such redemption date there shall become due and payable upon each such Bond the principal amount thereof together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue. Such notice shall be given by publication at least once not less than sixty days prior to the redemption date in a newspaper which is customarily published at least once a day for at least five days (other than legal holidays) in each calendar week, printed in the English language, and published in one newspaper of general circulation in the Borough of Manhattan, City and State of New York, and the City of Seattle, Washington.

Section 15. Payment of Redeemed Bonds. Notice of redemption having been given by publication in the manner provided in Section 14, the Bonds so called for redemption shall become due and payable on the redemption date stated in said notice at the principal amount plus interest accrued and unpaid to the redemption date, and, upon presentation and surrender thereof, at the principal office of the Principal Paying Agent together with, in the case of Bonds

registered otherwise than to bearer, a written instrument of transfer duly executed by the registered owner or his duly authorized attorney and, in the case of Bonds not registered as to interest, all appurtenant coupons maturing subsequent to the redemption date, such Bonds shall be paid at the said principal amount plus interest accrued and unpaid to the redemption date not represented by coupons for matured interest installments. All interest installments represented by coupons which shall have matured on or prior to the redemption date shall continue to be payable to the bearers of such coupons. If, on the redemption date, moneys for the redemption of all the Bonds to be redeemed, together with interest accrued and unpaid to the redemption date, shall be held on behalf of the Borough at the principal office of the Principal Paying Agent so as to be available therefor on said date and if notice of redemption shall have been published as aforesaid, then from and after the redemption date the Bonds so called for redemption shall cease to bear interest and the coupons for interest appertaining thereto maturing subsequent to the redemption date shall be void and said Bonds and coupons shall no longer be considered as outstanding hereunder.

Section 16. Form of Coupon Bond. Each coupon Bond, the coupons to be attached thereto and the provisions

for registration to be endorsed thereon shall be, respectively in substantially the following forms, with such variations, omissions and insertions as may be required or permitted by this Ordinance:

as they severally become due. The principal, interest and redemption price of this Bond, when due, will be payable at the principal office in the _____, a paying agent of the Borough, (hereinafter called the "Principal Paying Agent"), or, at the option of the holder, at the principal office in the _____ (herein collectively, together with the Principal Paying Agent, called the "Paying Agents"), in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

This Bond is one of the 1982 General Obligation School Bonds of the Kenai Peninsula Borough, of like tenor and effect except as to interest rates, serial number, and maturity, aggregating \$12,169,000 in principal amount, and constituting Bonds authorized for the purpose of raising funds to pay the costs of school capital improvements in the Borough, with the question of their issuance for such purpose approved and ratified by a majority vote of the qualified voters of the Kenai Peninsula Borough, who voted on the Proposition at an election held in the Borough on October 6, 1981, and is issued pursuant to Ordinance No. 81- of the Borough entitled:

AN ORDINANCE OF THE KENAI PENINSULA BOROUGH,

If less than all of the Bonds of like maturity are to be redeemed, the particular Bonds to be redeemed shall be selected in inverse numerical order as provided in the Ordinance.

This Bond is transferable by delivery, unless registered as to principal other than to bearer. It may be registered as to principal in the name of the bearer on the books of the Borough kept for that purpose at the principal office of the Principal Paying Agent, such registration to be noted hereon, after which no transfer hereof shall be valid unless made on said books by the registered owner

This Bond may again, from time to time, be registered or discharged from registration in the same manner. Such registration, however, shall not affect the negotiability by delivery of the coupons appertaining hereto, which shall continue to pass by delivery merely and shall remain payable to bearer. In like manner, subject to such conditions and upon the payment of such charges, registered Bonds, upon surrender thereof at said principal office with a written instrument of transfer satisfactory to the Principal Paying Agent duly executed by the registered owner thereof or by his attorney duly authorized in writing, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of coupon Bonds of the same maturity with appropriate coupons attached or of registered Bonds of the same maturity of any of the authorized denominations.

This Bond is a general obligation of the Kenai Peninsula Borough, and the full faith and credit of the Borough are pledged for the payment of the principal of and interest on this Bond as the same shall become due.

IT IS HEREBY CERTIFIED AND RECITED that all conditions, acts or things required by the Constitution or statutes of the State of Alaska to exist, to have happened or to

have been performed precedent to or in the issuance of this Bond, exist, have happened and have been performed, and that the issuance of Bonds of which this is one, together with all other indebtedness of the Borough, is within every debt and other limit prescribed by said Constitution or statutes.

This Bond shall not be entitled to any benefit under the Ordinance or be valid or become obligatory for any purpose until this Bond shall have been authenticated by the execution by the Paying Agent of the Paying Agent's Certificate of Authentication hereon.
