ORDINANCE 2001-19-25**

**AN ORDINANCE APPROPRIATING \$350,000 FROM THE SOLID WASTE SPECIAL
REVENUE FUND FOR CENTRAL PENINSULA LANDFILL CAPITAL
IMPROVEMENTS**

WHEREAS, the Central Peninsula Landfill is the primary waste disposal site for the Kenai Peninsula Borough with area available for at least 30 years; and

WHEREAS, the current landfill area will be filled in approximately 2004 and any new development must meet state and federal requirements including placement of an impermeable bottom liner and leachate collection and treatment system; and

WHEREAS, funds are needed to commence with design, planning, and initial site development for the landfill expansion to provide documentation necessary to acquire construction funds, grants, and permits; and

WHEREAS, as the ultimate source of funds for this project may be grant funding and the total costs are not yet known, it is premature to request voter approval for this project at this time; and

WHEREAS, the solid waste special revenue fund balance has sufficient funds available for this work;

NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

SECTION 1. That \$350,000 is appropriated from the solid waste special revenue fund balance to account number 290.94910.00000.47412 for transfer to the solid waste capital improvement fund.
