THRU: John J. Williams, Kenai Peninsula Borough Mayor
Craig Chapman, Finance Director

FROM: Scott Walden, Emergency Management Coordinator

DATE: August 9, 2007

SUBJECT: Ordinance 2007-19-13, appropriating funds to be received from the State of Alaska Division of Emergency Services to reimburse the Borough for costs incurred or to be incurred in responding to the flooding occurring in October 2006

This ordinance appropriates money the Borough expects to receive from the State of Alaska Division of Emergency Services. Funding sources consist of 75% passed-through funds from FEMA (Federal Emergency Management Agency) and a 25% State match. The revenue received will reimburse the Borough for costs incurred or to be incurred in responding to the flooding occurring during October 2006.

The ordinance includes funding for costs incurred by the Road Service Area and the Maintenance Department in responding to the flood and repairing Borough infrastructure damaged by flooding. The Borough has identified \$815,262.83 in total costs in responding to and recovering from the flooding.

Ordinance 2006-19-52 previously appropriated \$666,153 in road service area capital project funds, for major road repairs. Of this appropriation, only \$72,747.24 is needed, as the remaining cost of \$593,405.76 is eligible for reimbursement from the State of Alaska Division of Emergency Services.
