Hello Sherry,

Unfortunately we will be unable to attend the Oct. 23rd meeting - when the Assembly will be discussing Ordinance 2007-19-25.

We would like to encourage the Assembly to adopt this resolution. The Keystone Drive Group has been working toward this goal for more than five years. Acceptance of this federal appropriation will allow the Borough to take our project to bid next Spring.

In addition, would it be possible to get a CD of the Finance Committee and evening Assembly Meetings so that we can hear any discussion regarding this topic when we return.

If you have any questions, don't hesitate to contact us.

Thank you for all you do for our Borough.

Will & Jane Madison

Sherry,

I am responding to request to have you put our names (Bill & Ann Curtis, 34375 Keystone Drive, Soldotna, Ak) as proponents of the \$3,400,000 appropriation for Keystone. IF the Assembly accepts that funding it would be very beneficial to everyone including the borough as a whole.

Am sorry we cannot attend the meeting we are vacationing at that time.

Dear Ms. Biggs,

We are residents of Keystone Dr. in Soldotna. We understand that the Kenai Borough Assembly will soon take up the issue of the \$3.4 million federal appropriation for the Keystone Drive Project, Ordinance 2007-19-25. Unfortunately, we will not be able to attend the public meetings, but we would like to express our strong support to the Assembly that they accept the money for the purposes of this worthy project. We believe that the need for this project has been well documented and its completion will greatly improve safety and facilitate the ever increasing residential, business and tourist traffic along the road.

Thank you for any assistance you can give us.

Sincerely,

Ken and Susan Simpson, 34745 Keystone Dr., Soldotna.

Good Day,

I am sending a quick note, as I can't attend the meeting as we are on our way back from visiting my wifes father after his surgery. I wish I could be there to let you all know how important the funds for the paving of Keystone Dr are to us. Not only to those of use that live on the road, but to the LARGE # of visitors that drive that road every year, and that refer more friends and family members to visit Alaska. That road will make the drive a little easier on them and also show them that Alaska and its communities are working to better ourselves. Thank you very much!
