RE: 2007 State Homeland Security Program, 2007-GE-T7-0003
State Grant No.: 07SHSP-GR34054

Dear Mayor Williams:

The Alaska Division of Homeland Security and Emergency Management (DHS&EM) is pleased to award the Kenai Peninsula Borough the amount of \$25,750.00 under the 2007 State Homeland Security Program for the performance period of October 1, 2007 through September 30, 2009.

Funding from this program is provided to enhance the ability of states, territories, and urban areas to prepare for, prevent, and respond to terrorist attacks and other all-hazards events.

This year, as promised, local jurisdictions historical grant performance was a part of the scoring considered during the 2007 Homeland Security grant review process. DHS&EM staff performed an analysis over an 18-month period of grant performance in 10 areas. The Kenai Peninsula Borough scored 70 out of a potential 100, in overall grant performance.

A voluntary interagency review committee comprised of 10 representatives from various disciplines at State and local levels convened the week of August 20th to review eligible projects, local jurisdiction grant performance, and determine award allocation amounts. The result of this work is reflected in the allocated funds identified in the project budget detail attached with the award document.

Attached are two pre-signed grant awards. Please review the information for accuracy and review the Special Conditions in Box 12. Sign the obligating documents, keep one original for your records, and return the other original within 30 days to:
