Pastor Greg Newell
Homer Assembly of God
736 East End Road
Homer, AK 99603

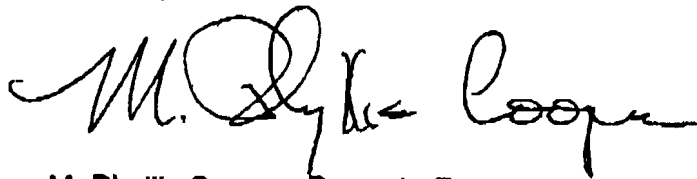

Dear Pastor Greg and the Board of the Homer Assembly of God,

I am writing regarding the church's desire to purchase the parcel of Borough land which is directly behind my property at 672 East End Road (Kachemak Bowl building)— between the Borough building and the Homer Assembly of God Church.

I am sole owner of my property, but I have discussed your proposed purchase with my son Mark Cooper, who will be majority owner when I am gone. Neither of us has any desire or use for the Borough-owned property behind us, and we both support your purchase of it.

Good Luck with your transaction.

Sincerely,
