Dear Volunteer Fire Department,

Thank you for applying for the 2008 Volunteer Fire Assistance / Rural Fire Assistance grant program. A total of forty-one fire departments applied for the Volunteer Fire Assistance (VFA) grant program and twenty-four fire departments applied for the Rural Fire Assistance (RFA) & Ready Reserve (RRP) grant program.

On March 25, 2008 an interagency committee met to allocate available funds for the VFA/RFA/RRP programs. Twenty-four of the forty-one applicants will receive some level of VFA funding. Five of the twenty-four applicants for RFA/RRP programs will receive some level of funding. A total of \$198,612.13 was awarded for all programs.

The enclosed spreadsheet lists all applicants and amount requested. If a fire department was awarded a grant, the amount awarded will be listed in the column titled "Amount Awarded". If no funding was awarded, \$0.00 will be reflected in the column.

Successful applicants should expect to receive a check within 90 days. When funds are available for disbursement a representative from your local Alaska Division of Forestry or Department of Interior agency will contact you.

If your application was unsuccessful do not be discouraged and continue to apply every year.

Sincerely,

**Arlene Weber Sword**
