SUBJECT: State Grant for School Equipment and Supplies

The Kenai Peninsula Borough School District would like to request the Borough accept the State Grant for School Equipment and Supplies on behalf of the School District. The responsibility for payment of all required expenditures and taking all administrative action, with the exception of filing grant reports to the Department of Commerce, Community and Economic Development, will fall upon KPBSD.

The grant monies will be used for classroom equipment such as student furniture, and various program needs to include microscopes, scientific scales and balances, computers, printers, projectors, interactive white boards, digital photography cameras, DVD burners, scanners, etc.

Thank you for assisting the School District in providing the best possible education to the students of the Kenai Peninsula.
