Dear Bonnie:

I am pleased to notify you that Kenai Peninsula Borough has been appropriated a FY-2009 Designated Legislative Grant per AS 37.06.315 for the purpose of Bear Creek Fire Service Area Community Multi-Use Facility. The amount of State funding available for this grant is \$55,000.

In order for the grant funds to be released, you must enter into a grant agreement with the Department of Commerce, Community & Economic Development for this project. Enclosed you will find a draft grant agreement. Please review the grant agreement carefully.

If you approve of the contents of the grant agreement, please return one signed original grant agreement to our office via U.S. Mail. I will return a fully executed copy of the grant agreement to you for your files after I secure the appropriate Department signature.

If you would like to request changes to the grant agreement contact information or the project description, please email the changes to [Jolene.julian@alaska.gov](mailto:Jolene.julian@alaska.gov) or call 907.465.4758 and I will provide you with a revised agreement.

Please feel free to contact me with any questions. I'd like to wish you every success as you proceed with this important community development activity.

Sincerely,
