**DATE:** February 19, 2009

**SUBJECT:** Ordinance 2008-19-37, Appropriating funds for the South Kalifornsky Beach Road Natural Gas Line Utility Special Assessment District.

The administration respectfully requests that the assembly defeat this ordinance. It was introduced to appropriate funds for the South Kalifornsky Beach Road gas line utility special assessment district ("USAD"). The resolution of necessity is the first formal assembly step towards approving the formation of a USAD. In order for the project to have proceeded for the amount appropriated in this ordinance, the assembly had to adopt resolution 2008-089, the resolution of necessity, by January 7, 2009. As the assembly defeated resolution 2008-089 on January 6, 2009 the project cannot proceed at this time. Accordingly, the administration requests that it be defeated.
