**Subject: Request for adjustment to Fiscal Year 2009 Funds**

With the new direction of Kachemak Emergency Service Area (KESA) to operate independently of a contract with the City of Homer, the KESA Board during the March 3, 2009 board meeting authorized a request for additional funds to be allocated from the current Capital Fund Balance. This equipment is needed prior to the transition. The KESA board voted to request supplemental funding for these items outlined below for a total of \$90,496.

:	
Radio Equipment/Installation for Dispatching	65,596
Medical Supplies	5,000
Knox Box	900
State EMS Bridge	1,000
FireHouse SW	6,000
Tough Book	5,000
Server	7,000
<b>Total Costs</b>	<b>90,496</b>

On behalf of the Board I am respectfully requesting this additional funding be made available to assist the service area to obtain their goals as outlined in the operations plan and the contract with the City of Homer.
