### MEMORANDUM

**To:** Assembly Members

**From:** Policies and Procedures Committee Chair, Pete Sprague

**Date:** January 23, 2009

**Re:** Ordinance 2009-05 - Amending KPB Chapter 14.31, Special Assessments—Road Improvements

---

Ordinance 2008-35: Amending KPB Chapter 14.31, Special Assessments—Road Improvements was introduced on November 18, 2008, with the public hearing held on January 6, 2009. At that meeting, the Assembly failed to enact the ordinance by a vote of 4 Yes and 5 No.

KPB 22.40.060 states, "An ordinance or resolution which has been introduced to the assembly and either defeated or withdrawn as provided in KPB 22.40.055 after consideration and public hearing may not be reintroduced for a period of 60 days by a member or the mayor. This prohibition does not apply if a committee has voted by a majority of its membership to reintroduce an item."

At the January 20, 2009 Policies and Procedures Committee meeting, a motion was approved to reintroduce Ordinance 2008-35 with a new number at the February 3, 2009 Regular Assembly Meeting with public hearing to be scheduled for February 17, 2009. Shortened hearing was requested because the ordinance had already had one public hearing on January 6, 2009.

All of the original backup documentation is included in this packet and has been renumbered accordingly.
