Re: Ordinance 2009-16 Amending KPB 22.30.130 to Set the Mileage Reimbursement Rate for Assembly Members to the Current Internal Revenue Service Mileage Rate

In January the assembly adopted Resolution 2009-011, which amended the Assembly Manual. After passage of that resolution, it was discovered that the mileage reimbursement in the assembly manual is not consistent with the language in code. This housekeeping ordinance, which sets the rate at the current IRS mileage rate, eliminates that discrepancy.
