Subject: RE: Ordinance 2009-19-08

Here is the information from October 14th's notes:

Capital Projects – 2000 Chevy Truck – Chief Baisden: – Ordinance 2009-19-08 will need to have a motion to approve the purchase of a 2000 Chevy truck with plow from the Equipment Replacement Fund from the board. After the September 9th board meeting the department's 1993 vehicle had issues and Gail White felt it would cost more money to repair the vehicle than it was worth. At the same time, the borough was ready to have an auction so Gail went and looked over the vehicles Maintenance had put up for auction. Gail found a 2000 Chevy truck with plow which was in good shape. The borough estimated that it was worth \$6,750. The department now has it and it is in service. Also, at the auction, the department did make \$1,250 on the old 1993 truck. Gail will be using this vehicle to get parts and other necessary projects.

MOTION BY HAMMOND: TO APPROVE THE PURCHASE OF THE 2000 CHEVY FOR THE SUM OF \$6,750 FROM THE EQUIPMENT REPLACEMENT ACCOUNT. SECONDED BY HILLEARY.
