DATE: October 15, 2009

SUBJECT: Ordinance 2009-19-15, an ordinance accepting and appropriating a \$13,000 donation from Chevron for the purchase of extrication equipment

Chevron has graciously donated \$13,000 to the Nikiski Fire Service Area (Service Area). The Service Area would like to use these funds to purchase extrication equipment for the second fire engine for which funds were recently appropriated through Ordinance 2008-19-23. The estimated cost for this extrication equipment is \$12,987.

The Service Area board at its October 14, 2009, meeting approved the acceptance of this donation and requested that these funds be used for the purchase of the extrication equipment.
