SUBJECT: Ordinance No. 2009-19-17, An ordinance accepting and appropriating a grant from the Alaska Division of Homeland Security and Emergency Management in the amount of \$30,270 for Kenai Peninsula Citizen Corps Programs

In June 2006, the Assembly adopted Resolution 2006-053. This resolution officially recognizes the Kenai Peninsula Citizen Corps Council (KPCC Council) as a Borough program under our Local Emergency Planning Committee.

To assist local communities in preparing for disasters, federal grants are available through the U.S. Citizen Corps Program. The Alaska Division of Homeland Security and Emergency Management administers the program. The Borough has previously received several grants to implement and operate the Kenai Peninsula Citizen Corps. The State recently notified the Borough of a grant award for \$30,270 to further the KPCC Council's planning, public education and training efforts.

The State requests that the signed grant documents be returned within 30 days. Therefore, we have submitted a Notice of Intent to Accept Grant Award requesting approval to submit the signed documents after the assembly meeting on November 10, 2009. Due to the State's requirement, a shortened hearing date is requested.

Enactment of this ordinance will provide the Office of Emergency Management the funding it needs to support the activities of our citizen corps programs. Your consideration of this ordinance is appreciated.
