PC Meeting: 4/13/09

The Kenai Peninsula Borough Assembly will hold a public hearing for the Kachemak City Comprehensive Plan on April 7, 2009. If adopted, the plan will be the foundation for any land use regulations passed by the Kachemak City Council.

According to the Kachemak City Clerk, the April 15, 2009 city council meeting agenda includes Resolution 2009-02, requesting the delegation of limited platting powers from the Kenai Peninsula Borough.

The two ordinances are intended to be considered together, as the proposed code changes in the second ordinance are only necessary if the first ordinance delegating limited platting powers is adopted.

END OF MEMORANDUM

Chairman Bryson opened the meeting for public comment.

Mr. Smith stated he was a resident of Kachemak City and welcomed everyone to Homer. The Kachemak City Ordinances are a culmination of a long process that Kachemak City simply wanted to have a small amount of influence on the way the community develops. He thanked the staff for working hard to develop through all the nuances of how to do this and asked for the commission's support.

Seeing and hearing no one else wishing to speak, Chairman Bryson closed the public comment period and opened discussion among the Commission.

AGENDA ITEM F. PUBLIC HEARING

- Ordinance 2009-20; Amending Chapter Five, Transportation, of the 2005 Kenai Peninsula Borough Comprehensive Plan by Deleting Appendix F, "Alaska DOT&PF Statewide Transportation Improvement Program Kenai Peninsula Borough Projects", and Adding a New Appendix J, "Alaska DOT&PF Statewide Transportation Improvement Program Kenai Peninsula Borough Projects"

Memorandum reviewed by Crista Hippchen

PC Meeting: 4/13/09

The assembly recently adopted Resolution 2009-023 supporting the submission of projects for the Alaska DOT&PF 2010-2013 State Transportation Improvement Program (STIP). As a result, the projects supported by that resolution have now received full preliminary scoring by the STIP adjudicators, according to the DOT&PF Central Region Area Planner. However, the project list recommended in Resolution 2009-023 has changed significantly from the project list that was adopted by the assembly in 2003 and 2005 as an appendix in the Kenai Peninsula Borough (KPB) transportation and comprehensive plans, respectively.

The DOT&PF Area Planner agrees that deleting the appendix of outdated STIP projects and adding a new appendix containing the recently recommended projects will help the KPB projects meet the STIP scoring criteria.
