Memorandum

TO: Milli Martin, Assembly President
Members, Kenai Peninsula Borough Assembly

THRU: David R. Carey, Borough Mayor

FROM: Bill Williamson, Chairman, Seward/Bear Creek Flood Service Area

DATE: 16 June 2009

RE: KPB ordinance 2009-29, amending KPB 14.06.100 and KPB 14.06.170 to require an engineering analysis for road construction in certain areas in the Seward Vicinity.

KPB Ordinance 2009-29 was presented to the Seward/Bear Creek Flood Service Area board at their regular board meeting of 1 June 2009. The board approved a motion to support this ordinance.

The SBCFSA has a history of frequent flooding and a record of recurrent road damage due to flooding that indicates a need for more stringent road design requirements in this area. KPB Ordinance 2009-29 supports the SBCFSA goals of increasing public safety, reducing flood risk to lives, property and infrastructure and promoting flood-wise development in our service area. We urge the Assembly to approve this ordinance.

Your consideration is appreciated.
