SUBJECT: Ordinance 2009-19- 32, appropriating \$750,000 in the borough's School Revenue Capital Project Funds for improvements to school facilities

The Kenai Peninsula Borough School District has funds that have been set aside for improving school facilities where charter schools are located. As the schools are owned by the borough, it would be suitable for the borough to appropriate those funds for these projects. The projects are as follows:

Aurora flooring \$300,000

Aurora parking revisions and repaving \$400,000

Shop Equipment installation at various schools \$50,000

Shortened hearing is being requested on this appropriation which will allow for the projects to be completed prior to school starting in the fall
