Re: Ordinance 2010-02, Eliminating the Sunset Date of the Appointed Board of Adjustment

In Ordinance 2005-30, the assembly removed itself from the board of adjustment ("BOA") and instead provided for an appointed citizen BOA. As this concept was new to the borough, the assembly provided that Ordinance 2005-30 would automatically terminate on December 31, 2007, unless the assembly altered or extended that date. Ordinance 2005-30 extended the sunset provision for two years, until December 31, 2009. This ordinance will eliminate the sunset date for the appointed BOA.

The board has conducted seven (7) hearings which have been successfully administered and have proven to support the continuation of the appointed BOA.

Your support would be appreciated.
