Re: Ordinance 2010-0¹, Amending KPB 5.28.280 Proprietary Procurement

There has been discussion recently regarding sole source agreements. I believe that there are some gray areas in how sole source contracts are handled, and that the proposed change provides for stricter guidelines. The change in 5.28.280 would still allow sole source contracts, but requires assembly approval of those over \$15,000, which is the floor under the open market procedure in 5.28.270. Your consideration of this ordinance is appreciated.
