BOROUGH ASSEMBLY

MEMORANDUM

TO: Pete Sprague, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM: Sue McClure, Assembly Member *Sue McClure* for Sue McClure

DATE: February 4, 2010

SUBJECT: Ordinance 2010-11, Extending the Sunset Date on Ordinance 2009-09 for Six Weeks

At the July 8, 2009, meeting of the Flood Plain Task Force it was decided to have a final meeting in early 2010 prior to the expiration of the sunset clause of ordinance 09-09 establishing the Seward Mapped Flood Data Area (SMFDA). I was appointed to chair the Flood Plain Task Force at the February 2, 2010, assembly meeting, replacing former assembly member Ron Long. A final meeting of the task force has been scheduled for March 10, 2010. The SMFDA has a sunset clause of March 24, 2010. While the task force meeting will occur before the sunset date the assembly's only meeting in March is on the second. Therefore there will not be adequate time for the assembly to consider the task force recommendations of the final disposition of the sunset clause prior to the sunset date. Extending the sunset date should also be considered by the Seward-Bear Creek Flood Service Area (SBCFSA) and the borough planning commission (PC). The assembly meets in Seward on May 4, 2010. Therefore, I propose extending the sunset date of the SMFDA until May 5, 2010, which will allow adequate comment period prior to the assembly's Seward meeting. I would appreciate the assembly considering this ordinance on shortened time because there are only two meetings, one for introduction, and one for public hearing, prior to the expiration of the sunset clause on March 24, 2010.
