SUBJECT: Ordinance 2010-19-08, An ordinance accepting and appropriating \$20,000 from the State of Alaska to the North Peninsula Recreation Service Area for the shower replacement project

The North Peninsula Recreation Service Area (NPRSA) submitted a request for legislative grant funding in the Fiscal Year 2010/2011, State of Alaska Capital Budget. Senate Bill 230, which appropriated funding in the amount of \$20,000 for this project, was passed by the State Legislature and signed by Governor Parnell on June 4, 2010.

The Alaska Department of Commerce, Community and Economic Development has provided award notification and the service area passed the motion to recommend acceptance of the grant at its regular board meeting held June 28, 2010.

Due to the annual maintenance, work is scheduled to be completed during the month of September when the pool facility is closed to the public for maintenance projects. The legislative grant shall reimburse NPRSA capital project funds used for the project. Please reference O2010-19-04 which was introduced July 6, 2010, appropriating capital project funds to expedite the shower replacement project.

The NPRSA director will be the project manager on this project and shall provide grant oversight and project completion.

Thank you for considering this ordinance for acceptance and appropriation.
