SUBJECT: Ordinance 2010-19- 11, accepting and appropriating \$5,000,000 from the State of Alaska to the road service area for capital improvement projects.

The road service area submitted a request for legislative grant funding in the Fiscal Year 2010/2011, State of Alaska Capital Budget. The award of a contract or contracts for each project shall be submitted to the assembly for approval by resolution. The enclosed chart lists unfunded roads in need of improvements and was submitted with the grant application.

The road service area director will be the project manager and shall provide grant oversight and project completion.
