MEMORANDUM

TO: Pete Sprague, Assembly President
Members, Kenai Peninsula Borough Assembly

FROM:  Pete Sprague, Assembly President

DATE: May 24, 2010

SUBJECT: Amendments to Ordinance 2010-21, enacting revisions to KPB Chapter 21.18

At the meeting of March 22, 2010, the KPB Planning Commission recommended by unanimous consent the enactment of Ordinance 2010-21 without the KPB 21.18.090 section. At the next meeting on April 12, 2010, the planning commission recommended amendments to the KPB 21.18.090 section that were not supported by the administration. It is my intention to provide the administration and the planning commission additional time to reconsider language that can be jointly supported. To allow for this additional time it is recommended that the following amendment be considered.

Amend Ordinance 2010-21 by striking SECTION 7 to remove any changes to the existing language of 21.18.090, Prior Existing Activities and Structures.

This proposed amendment only refers to the prior existing section of the code. By removing SECTION 7 we allow additional time to work on the prior existing language but proceed in enacting the remainder of the ordinance as jointly supported and forwarded by the administration, the working group, and the planning commission.

Your consideration of this proposal is appreciated.
