KENAI PENINSULA BOROUGH

RESOLUTION NO. 75-18

A RESOLUTION REQUESTING AND ENCOURAGING IMPLEMENTATION  
OF A CLOSED SEASON ON ALL MOOSE IN THE SOUTHWESTERN  
PORTION OF THE KENAI PENINSULA.

WHEREAS, that portion of the Kenai Peninsula lying south-  
west and west of Tutka Bay, a line joining the head of Tutka Bay  
with the head of Taylor Bay, and Taylor Bay has not in the past  
sustained any appreciable moose population; and

WHEREAS, due to timber cutting, portions of this area are  
becoming viable as a moose habitat and attractive to a moose population;  
and

WHEREAS, any moose wandering into this area are promptly  
killed because there is an open season on moose within the area; and

WHEREAS, closing this area to all moose hunting for a  
number of years would allow moose coming into the area to build up  
a moose population that would add to the resources of the area and  
be an attribute to the area;

NOW THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF  
THE KENAI PENINSULA BOROUGH:

That the Assembly of the Kenai Peninsula Borough hereby  
encourages and supports closing to all moose hunting that area of  
the Kenai Peninsula Borough lying southwest and west of Tutka Bay,  
a line joining the head of Tutka Bay with the head of Taylor Bay,  
and Taylor Bay until such time as the moose population therein is  
built up into a renewable resource.

That copies of this resolution shall be transmitted to Governor Jay Hammond, to the Commissioner of the Department of Fish and Game, the Board of Fish and Game, and to the United States Fish and Wildlife Service.

ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS FIRST DAY OF APRIL, 1975.
