WHEREAS, the low bidder was Robinson Construction Company, which proposed to perform all necessary work for the five year period for the sum of \$1,918,550, for an average amount of \$383,710 per year for the combined maintenance of the landfills; and

WHEREAS, the continuation of the contract from year to year within the five year period shall be contingent upon appropriation of necessary sums by the Borough Assembly; and

WHEREAS, funds appropriated for the first year of the contract term are sufficient and the Department of Public Works recommends the award of the contract to Robinson Construction Company;

NOW THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

Section 1. That the bid of Robinson Construction Company to perform all required maintenance and capital improvement work to the Kenai and Soldotna Landfills for a period of five years, at the average cost of \$383,710 per year, is accepted and a contract is awarded.
