KENAI PENINSULA BOROUGH

RESOLUTION 81-12  
(REVISED)

REQUESTING THE LEGISLATURE TO APPROPRIATE ADDITIONAL FUNDS  
TO THE BOROUGH LOCAL SERVICE ROADS AND TRAILS ACCOUNT.

WHEREAS, the Assembly, by Resolution 79-22, identified  
priority Local Service Roads and Trails construction projects  
within the Borough; and

WHEREAS, certain projects could not be constructed due  
to financial limitations; and

WHEREAS, the need for these projects remains and the  
cost of these and other projects is estimated to total  
approximately \$2,520,000 of which the Borough has received  
only \$447,000; and

WHEREAS, the current legislation providing for the  
Local Service Roads and Trails program provides only for  
funding of this program through periodic bond issues, and  
the Assembly finds that the direct appropriation of state  
funds, in addition to bond proceeds, would best serve the  
interest of the citizens of this state and that this appro-  
priation should be made without regard to funds provided

Service Roads and Trails projects in addition to the allo-  
cation of bond fund proceeds, and to provide further that  
the funds requested by this Resolution shall be allocated to  
the Borough's own construction account without regard to the  
funds, if any, allocated to any other borough or city.
