KENAI PENINSULA BOROUGH

RESOLUTION 82-217

URGING THE FEDERAL AVIATION ADMINISTRATION TO ESTABLISH THE CONSOLIDATED FLIGHT SERVICE STATION FOR SOUTH CENTRAL ALASKA IN THE KENAI PENINSULA BOROUGH.

WHEREAS, it has come to the attention of the Assembly of the Kenai Peninsula Borough that the Federal Aviation Administration is in the process of consolidating their Flight Service Stations so that only one station will be used to service the entire south central area of Alaska; and

WHEREAS, the area to be served would cover Kodiak Island, the Alaska Peninsula, and the Island Chain, as well as the southern portion of the state, it is apparent that the Kenai Peninsula would present a central location from which such service could be proficiently rendered; and

WHEREAS, the Kenai Peninsula has road access from Anchorage and the central portions of the state and ample flight service connections with Anchorage; and

WHEREAS, the Kenai Peninsula has more than adequate residential and living facilities as well as retail outlets to serve and accommodate the personnel and their families who would be located in or near the location of such consolidated Flight Service Station; and

WHEREAS, various areas in the Kenai Peninsula are conducive to the establishment to a good radio communication network in addition to being centralized in the area;

NOW THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

Section 1. That the Assembly of the Kenai Peninsula Borough hereby urges the Federal Aviation Administration of the United States to select the Kenai Peninsula for the location of the consolidated Flight Service Station for South Central Alaska because it is the most centralized location for the facility, has more than adequate residential and retail potential service of the personnel necessarily situated in the area for such Flight Service Station, has areas of excellent potential for facilities for radio communication, and has ample access to the more populous portions of South Central Alaska by air and road as well as having more than adequate telephonic communication with such areas.

Section 2. That the Clerk is hereby directed to furnish copies of this resolution to officials of the United States

Federal Aviation Administration and to any other parties having an interest therein.

ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH ON
THIS 16th DAY OF November, 1982.

Donald L. McCloud, Assembly President

ATTEST:

Borough Clerk
