KENAI PENINSULA BOROUGH

RESOLUTION 85-188

IN SUPPORT OF THE CITY OF SOLDOTNA'S REQUEST TO THE STATE OF ALASKA FOR RELOCATION OF THE STATE HIGHWAY MAINTENANCE FACILITY.

WHEREAS, the State of Alaska's highway maintenance facility for the central peninsula area is located within the core of the city of Soldotna central business district; and

WHEREAS, the city of Soldotna has experienced considerable population growth which has changed land use patterns in the vicinity of the State maintenance facility; and

WHEREAS, because of the increased population and commercial development of the city, traffic congestion has increased along the Sterling Highway; and

WHEREAS, relocation of the State highway maintenance facility would allow a more appropriate use of the Kenai Riverside property and eliminate conflicts with the Kenai River Special Management Area recommendations as well as alleviate traffic congestion to some extent; and

WHEREAS, the City of Soldotna has petitioned the State of Alaska to relocate its highway maintenance facility away from the city's central business district;

NOW THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

Section 1. That the assembly hereby expresses its support for the City of Soldotna's request for relocation of the State highway maintenance facility away from the city's central business district.

Section 2. That this resolution shall take effect immediately upon its adoption.
