**KENAI PENINSULA BOROUGH
RESOLUTION 87-119**

PROVIDING FOR AN EXTENSION TO THE KENAI/SOLDOTNA SOLID WASTE MAINTENANCE AGREEMENT HELD BY ROBINSON CONSTRUCTION.

WHEREAS, the Kenai Peninsula Borough Assembly has awarded a five year contract to Robinson Construction for the maintenance of the Kenai/Soldotna landfills; and

WHEREAS, Resolution 86-78 provided for a previous extension in an amount of eighteen months; and

WHEREAS, that five year contract with the eighteen (18) month extension is due to expire as of December 31, 1987; and

WHEREAS, the Waste Disposal Commission, the Administration, and the Kenai Peninsula Borough Assembly are in the process of establishing a new direction for the disposal of the Central Peninsula's solid wastes; and

WHEREAS, services may be procured without competitive bidding or proposals under KPB 5.28.280 where the borough requirements reasonably limit procurement to a sole source; and

WHEREAS, the circumstances warrant extension of this contract without competitive award; and

WHEREAS, Robinson Construction has offered to extend its present contract for the maintenance of the Kenai and Soldotna landfills; and

WHEREAS, the Public Works Department has negotiated a time extension with the City of Kenai until November 30, 1988.

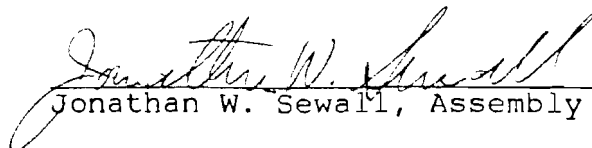

NOW THEREFORE, BE IT RESOLVED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:

Section 1. That the administration is authorized to issue an extension to the contract for an additional six (6) months to June 30, 1988.

Section 2. The contract bid items will remain as bid in accordance with the terms of the contract and Resolution 86-78. The estimated amount of this extension is \$266,000.

Section 3. That this resolution takes effect immediately upon its adoption.

ADOPTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH ON THIS 15th DAY OF December, 1987.
