Re: North Road Extension, Resolution 2005-029

Resolution 2005-029 was drafted in early April 2005. Since that time there have been circumstances that have initiated some changes relating to funding of this project, North Spur Road Extension project.

These changes require some amendments to this resolution.

1. Amend the 5th Whereas to read **\$540,000** instead of \$425,000.
2. Add another Whereas, between the 5th and 6th Whereas, to read: **"Whereas the local match will be provided through a \$300,000 legislative grant, approximately \$143,596 remaining from phase one of the project, with any remaining necessary local match funding to be requested from the Road Service Area budget"**.

These figures are "estimates". We do not know how much the study will actually cost.
