Reference: Resolution 2005-047, Scooter's Landing Natural Gas Line

Dear Assembly Members:

The Alaska Division of Parks and Outdoor Recreation is the State of Alaska land manager for two lots in the proposed Special Assessment District, 063-046-38 and 063-046-39 (Scout Lake State Recreation Site). While we support the establishment of a gas line to serve the residents of the area, we have no interest in utilizing the line presently or in the future and do not want to be included as a contributor to the costs of the new service. We will, however, commit to working with the utility (Enstar) to provide the permits necessary for establishing the gas line across State Park Land.

Sincerely,

  
Jack E. Sinclair  
Kenai/PWS Area Park Superintendent

Cc: Hugh Chumley, Scooter's Landing Air Park.
