Sherry:

Would you please pass this on to the Assembly Membes for tonight's meeting?

I know the Assembly receives a lot of e-mails on the issues. Some are references in the meeting and some are not.

I WOULD RESPECTFULLY REQUEST THAT MY COMMENTS BE READ INTO THE RECORD DURING THE PUBLIC COMMENT PERIOD ON THIS RESOLUTION.

With all due respect, now is NOT the time to make changes in Personnel Descriptions that appears to have the potential for a large increase in salary.

At the very least, any and all changes should be considered after the Transition Report is made public, as the Mayor has said it would be. At that time, if this change in job description and salary are included, action could be taken.

Thanking you for listening.

Respectfully,
